### 1.0 Overview

LogicNets has released the May 2022 version of the LogicNets AUC Solution. This release provides ICD code mapping implementation.

### 2.0 New Functional Enhancements

The following enhancements have also been implemented with this version.

#### 2.1 Wildcard Support

With this AUC release LogicNets has added ICD-10 wildcard support for the ICD codes of the PCA guidelines. The following table shows the mapping of ICD codes to PCA guidelines. The \* indicates the wild card.

ICD-Code	Guideline
R51.*	Headache
M54.5*	Lower Back Pain
M54.2*	Neck Pain
M25.55*	Hip Pain
M25.51*	Shoulder Pain
I26.*	Pulmonary Embolism
I25.*	Cardio Artery Disease
D02.2*	Lung Cancer

\* = Wild Card
